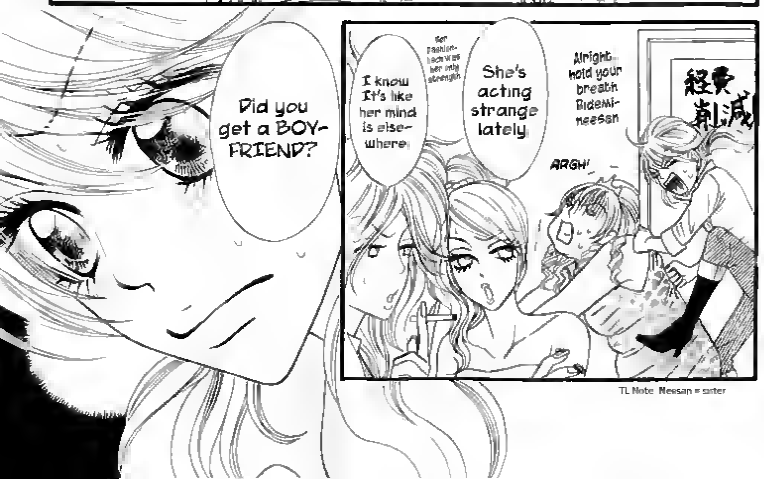
Eve, come over and help me with the zipper.
Okay~
Oh forget it
How cheap is MAMA going to get?
I, the apprentice stylist, am in charge of the preparations until the Club opens
I know
Deep Paplin, a Club located on the outskirts of the town.



Did you get a BOYFRIEND?
I know It's like her mind is elsewhere
Her Fashion-sense is on her only strength
She's acting strange lately
Alright, hold your breath Bidemineesan
ARGH!
(devil) sawa minney

TL Note: Neesan = sister

No, I just haven't gotten enough sleep lately.
Whaa?
Is it his fault?
I... I thought mom shredded the picture...
"I can't smell Aaron on him."
"Fails!"
Hehehe... He was such a good catch that we restored it in our free time!
Yummy!
These are his lips.
Here, this one.
This club is truly on the outskirts of town.
Taking the risks made you fall for him even more.
I've never seen you daydream about somebody before.
You're so brave, standing up against mama~
Eh, it's not that.
I don't mean to...

I know huh. I've known Eve since 5th grade. She was still wetting the bed back then but...
she was already chasing after rich men. She learned from Mama to be a little bitch
Until 5th grade really?
She's been here too long
But maybe you found somebody you can stand next to without having to stretch yourself thin.
Erm— is the blood still circulating? Bidemi-neesan?
What a durable dress.
I am falling for him?
For Gou!?
The eldest child of the poor Kodakara family with so many children?

TIL:Note door- save money
Can you stop making stuff up!?
What are you going to do if my mom hears this?
経費削減!!
M-Mom!
Hehe! Stop being so reserved
You have to report to your mother instantly when you get yourself a boyfriend
It's this failure
Go to hell, host-esses!
Want me to show him who's the boss, Godmother?
Your daughter is deeply in love with him
Eve! Right here, sit down!

He goes to parties.
He drinks.
Damnit! One day I'll be a famous musician!

Is that...
It's not easy to get the permission to go out.
I don't have the luxery to respond to every girl's selfish demands.
Whaa-aat!?
Then I am not going
Wha-whatever. As a friend!
You know... you come over to tell me that we are friends?
After sharing that deep kiss and spending the night together?

Oh my god. You totally prepared yourself!
You're trying way too hard

It would be awkward if it was only Gou, mom and me anyways
But you have to help me out with mom.
Isn't it your day off!?
Psh, You can't keep us out of this.
Don't forget, you borrowed Gou's outfit from my pimp!
You're practically not wearing a thing!
Yeah! We have the right to be here
There's no cupid like you guys
Leave it to us We'll be your cupids of love...

Wel-

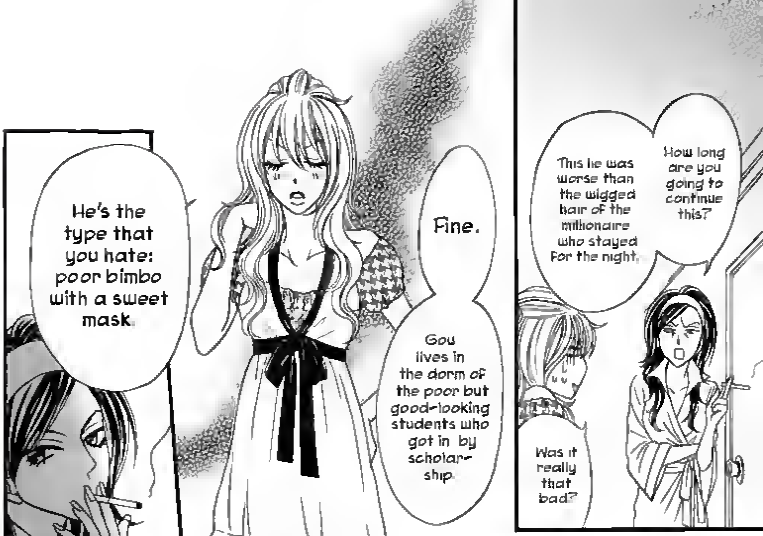
Good afternoon.
Ah... I need to calm down!!
He will definitely be able to pass Mom's Fashion Check.
You look... gorgeous...
GASP
Is my necktie okay?
I never dressed like this before. It feels uncomfortable
I guess it's okay
The outfit makes you look even better.

You look a bit too tidy.
Your shampoo smells great.
Do you want to drink with us tonight?
Which one's your mom!?
Stop undressing him. Stop smelling him. Stop offering him drinks!!!
Eve? Is he here?
Mom... this is
Gou!!

WHY!!?
God WHY!!?
Nice to meet you.
Wah
They're no help at all...
Haha what a great introduction...
Ha...
Omg I want to get drunk too...
Hmm I feel more comfortable without clothes
Haha... I like them.
But please put something on first
Here... these are roses we grow at the dorm!

TL Note: Kodakara means small treasure

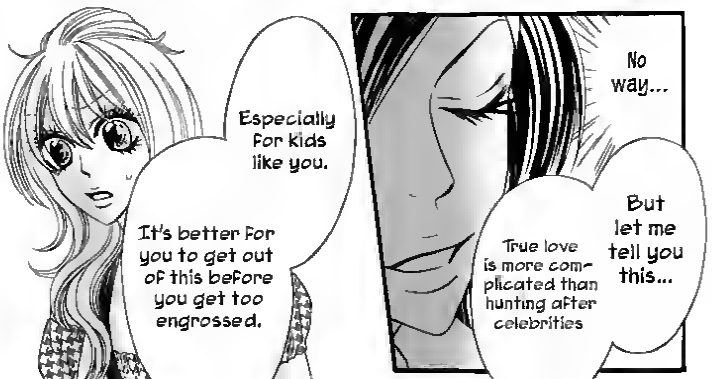
My name is Kodakara Gou
Ha haha. Gou!! You're really funny.
Koda-kara.
Koda-kara Gou!!
Eh?
So any--ways... Gou, right? What's your last name?
So, where did you meet my Eve?
Umm— your daughter held onto me like an octopus grabbing a sausage in the Forest behind the school
In the library, after school.
What kind of job do your parents do?
That jacket looks exatly like Juliet's pimp jacket. Is it just a co-incidence?
This isn't good.
What does it mean that you're on a special scholar-ship?
Mom! Can I talk to you for a second?
Uhh, erm
Geez
She totally knows!
You want to play a game?



How long are you going to continue this?
This lie was worse than the wigged hair of the millionaire who stayed for the night.
Was it really that bad?

He's the type that you hate: poor bimbo with a sweet mask.
Fine.
Gou lives in the dorm of the poor but good-looking students who got in by scholarship.

Huh?
Sounds great.
A guy you can date without having to try too hard...



No way...
But let me tell you this...
True love is more complicated than hunting after celebrities
Especially for kids like you.
It's better for you to get out of this before you get too engrossed.

I have experience with relationships here and there.
Again... you try to tell me something with a deep meaning so that I'll doubt myself!?
Make sure he enjoys himself here.
?
Take it off! Take it off!
Yeah brotha! Just take it off!
Whh-aaa?
What are you doing!?
It's a game. If I strip, I will get 100 000 yen
Never believe a word these women say.
Argh... ay...
EVE

Where does this extreme exhaustion come from..
Hmm... so this is Eve's room.
I see~
Ahhh
Ooh~
Please, just stop moving around!
Fine, Fine.
Then let's cuddle.

How much are you going to mess with my rhythm?
So...
What did your mom say?
Nothing really
She didn't seem to like me much.
I'm not a rich candidate.

Well, as long as you don't mind ...
... it doesn't matter much.
Gou...

Hey, stop ...
Mom's going to hear us.
We're just cuddling
It's not just going to be that if we stay like this...
I am already holding back.
If I was serious, it would be more intense ...

What does that mean ...
Are you going to mess with my head even more?
What is going to happen when you get serious?
"Especially for kids like you."
"True love is more complicated than hunting after celebrities."
"It'll be better for you to get out of it before you get too engrossed."
No...

Scary.
We can't!
Geez. You're too worried~
Eve?
That's...
Is 'love' supposed to be like this?
No...

It never used to be like this.
It's because you're not from a rich family!!

You'r awful. What a hypocrite.
You just realized?
I'm never coming again!?
CLUB

That was easy ...
Hey, Eve, what's going on?
Why did Gou leave?
Did you get into a fight!?
We pumped up the mood for you guys.
Shut up! You useless poisonous cupids!
Stop it.
Your own weakness pushed him away.
Oh, really
My weakness

If you regret your own mistakes so much,
hurry up and divorce dad so you can accept the proposal of that bald millionaire who stayed overnight.
Argh!
What was that? Say it again!
I'll tell you! My weaknesses are inherited from you!!
Here it goes again... aiming at each others threat
Eve just hit a dangerous spot...
Mama is just reaping what she sow.
Dammit.
What's up with that hypocrite?
I really don't care anymore!

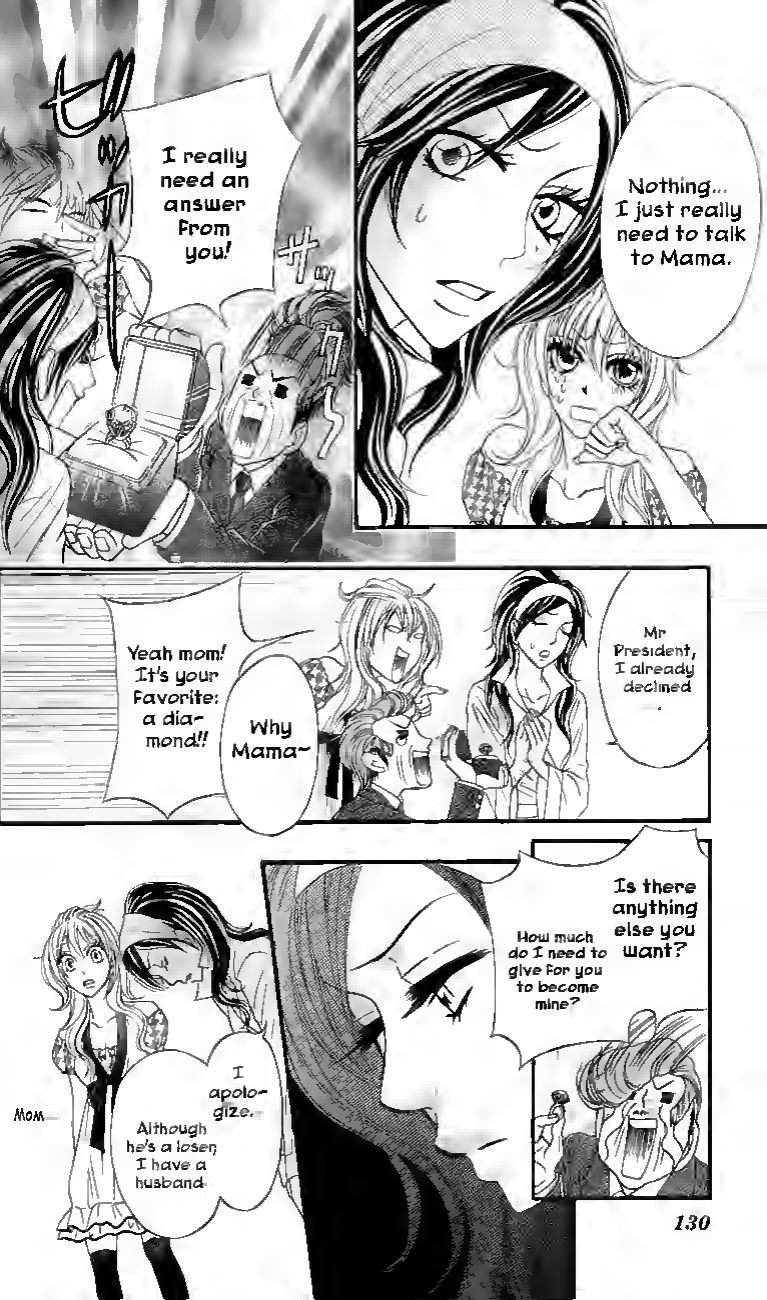
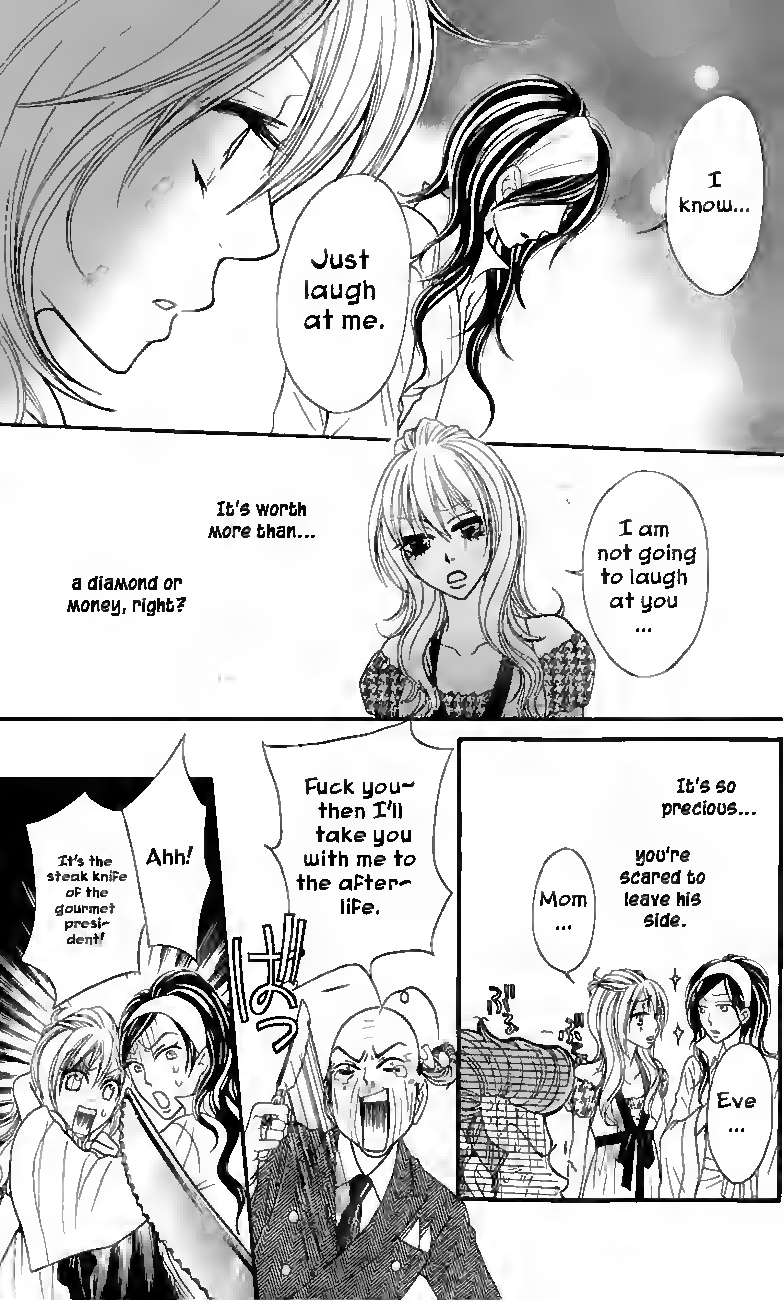
Oh, hi~ (wigged) President-san. What's up?
Oh.
I'm coming in, Mama Monica



I really need an answer from you!
Nothing... I just really need to talk to Mama.
Yeah mom! It's your favorite: a diamond!!
Why Mama~
Mr President, I already declined.
Is there anything else you want?
How much do I need to give for you to become mine?
Mom
I apologize.
Although he's a loser, I have a husband.



I know...
Just laugh at me.
I am not going to laugh at you ...
It's worth more than...
a diamond or money, right?
It's so precious...
you're scared to leave his side.
Mom ...
Eve ...
Fuck you~ then I'll take you with me to the after-life.
Ahh!
It's the steak knife of the gourmet president!

Bam!
Geez. You're so pathetic.

You're thinking so much about money that you forget what's most important
Isn't that to fall in love?
Gou...

Truly president's gourmet knife
Ouch.
Damnit
I detest your youth and your hair
Gou, be careful
Just kill me~
This is the end of me~!

What are you doing to Gou!
If you want to die that much, I'll send you to hell.
This is what you get For flinging a knife around in my club!
Follow their lead!
UMM.
The bleeding stopped already
Never come back again!
We lost a client ...
We took all we can From him

It's Fine.
Just forget it.
Anyways, mama, are you sure we should leave them alone?
Come on, calm down.
B-but ...
It doesn't bleed anymore
B-but ...
Doesn't your hand hurt a lot? Breathe in slowly ...

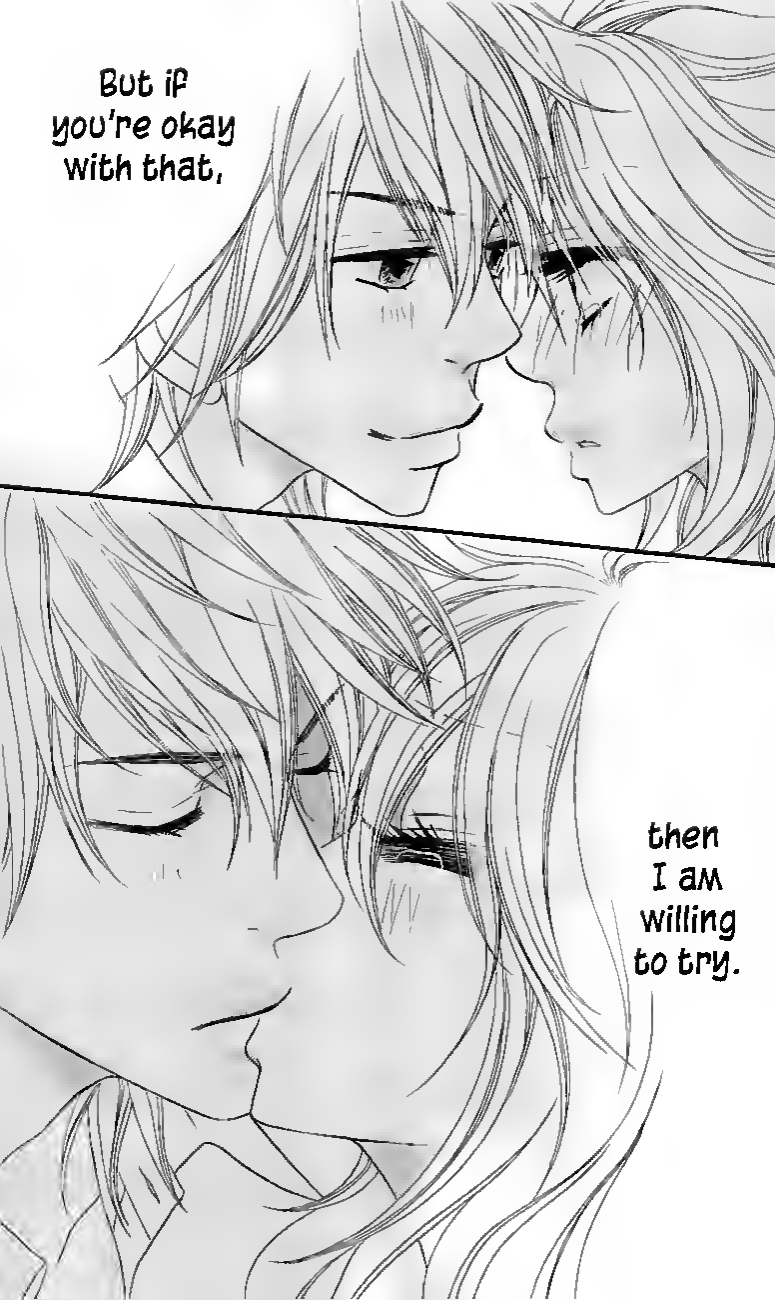
Ugh...
Argh...
Me too.

You look awful.
Because I am weak, prideful and stubborn.
It's difficult to experience 'true love'.
Yeah.
Plus, my hair and make-up are a mess.



But if you're okay with that,
then I am willing to try.

Hey!
Cut it out.
Mabm, my family is large and poor but
I'll take care of Eve better than any rich bastard.
Poorz Large Familyz
Geez.
For now, you did save my club.
I'll accept you for now.
No way.

If I catch the treasured item,
should I stay with the type I am looking at ?
I am...

BIZYOZYUKU

Wedding bells
The type that messes around until satisfied
A.... I have to go.
Next homeroom I'll definitely come.
It is decided that my class will also come to the school party.

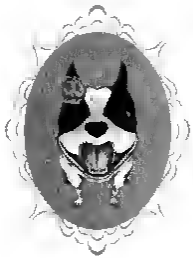
*-Here it says "shinpin" which literary means "new article" but she is referring to men
Now then.
I am especially attracted to new things* with money
Because I really have to go.
Soon ...
At this moment I don't want to let go
Later
MWAH

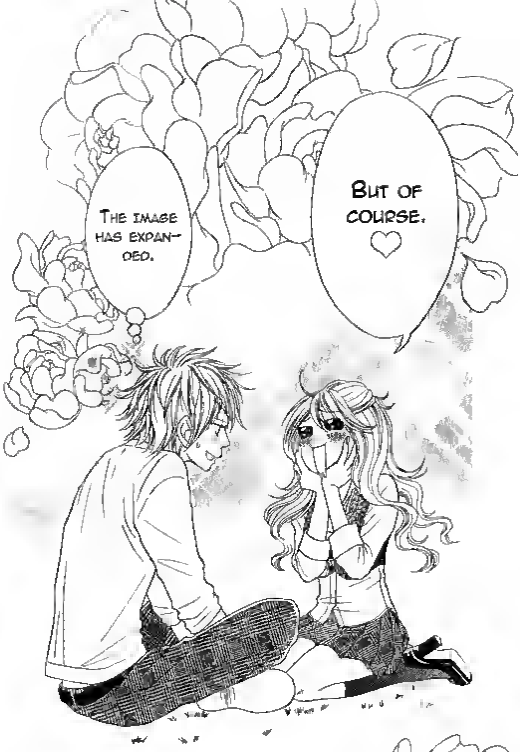
Don't you think we should go to a room after school?
Mwah
Kiss
The dormitory leader said that there is no point in arguing. If I take you to a hotel, it will project on the principal
Mwah
Well then, do you still want to go home?
That is not possible at the moment. Because I made up a story that I have to go to a relative's funeral, so that I could get the permission to go outside...
...
In other words, that is what you were thinking about.
So you just wanted to see how far you can push the perverted principal until he is half-dead?
Ha
Ha
Ha
W..Well, listen, because I have a really good idea
Principal should be assassinated?
Bam
Bam
Wrong.

"RINKAN" MEANING "IN THE FOREST", I ASSUME IT IS THE NAME OF THE SCHOOL.

SEE, THAT IS WHY SCHOOL EVENT IS THE EFFECTIVE WAY...

THIS TIME THERE IS A BIG CHANCE AT RINKAN* SCHOOL, ISN'T IT!?





The dreams of despised school event have expended to Rinkan School

This means...

Kyaa!!

No matter how important the master is, I expect he is not taking his guard to an open-air event.
Club trip... Pa... Putt... Golf

Well then, don't you agree with united event with boys?

Don't pretend that you don't know, just because only you have a boyfriend!
That's right!! Before this you were the leader for this site. Would it hurt you to join forces with us just for a bit longer?!
I am sorry but I don't have free time for that! I have an important plan!
Don't you get it, you fools!
Hey!!
mur-mur
No, you mean you already had sex with him?
So, was it with meaningless love which lasted up until now ?

Instant sex = instant disaster!?
But this time I am not wrong, am I? Instant sex = instant disaster and that is a self-destruction button!
I knew Hanazono-san was fast, but I didn't know you were fast in that too...
I have heard rumors from middle school but...
Things like hiking, walking, ...
After one month
Absurd!!!
Good-bye! we have to stop seeing each other in secret
SYAA
From now on this is the plan for carefully raising the real lo-ve.
However of course, I am done with transi-tory bitch love!
So it is agreed, head of a female and male students!

And talking about campfire, its walk-dance.
The heat of the open fire influences the original tension
And the dance and the touch of light create the illusion of love.
While hackneyed, suddenly the distance begins to narrow because this magical event...
You don't have anything but cruel plans
So I can say with confidence that that is why you want to be good in relation-ship
Than why is it that girls like us
are liked by boys.

We ...

In case of joint party it would be better if we had something like real school event
Because there is no boundary, even I don't know any more.

We will never take part again let us go to class to cram!!

Soo... are you anyhow connected to the title of event leader at Rinkan school?

Here was a rumor amongst girls in the class, that a skillful celebrity hunter is going to lead the ceremony at the event.
That is you, isn't it!?
He knows!

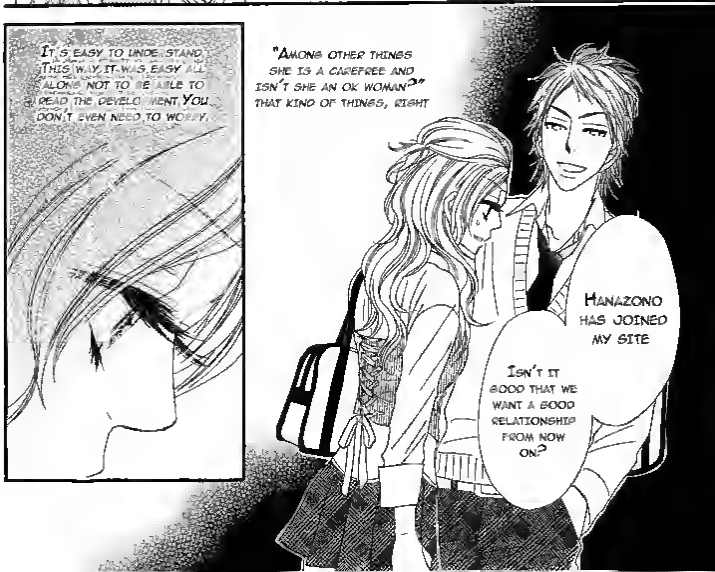
That's a lie!
Really?
A... she just left with chairperson.
It was chairpersons hobby to go after eve
That girl gets on my nerves for being so lazy!
Derailment
When she told him as soon as I did it with my boyfriend, I threw him away...
He became scared
Thanks to self-control they stopped their lovers talk and split up
Doesn't it suit chairperson wright?
Buwahahaha
If he is a quick thinker he went to the entrance allready
Go! Go!
Hahahaha
That's right

What if he goes to this side in these circumstances?
Won't you listen to me? That is not good!
Don't tell me— you are worried about the usual boyfriend?



It's easy to understand. This way it was easy all alone not to be able to read the development. You don't even need to worry.
"Among other things she is a carefree and isn't she an ok woman?" that kind of things, right
Hanazono has joined my site
Isn't it good that we want a good relationship from now on?

When you like me you keep close, but if you get tired of me you let go
That is right
This site is far from comfort
Too much sentiment is hurtful.
So no tampering with my heart.
Much easier than true love...
By far...
More comfor-table...
However...

<SFX> BANG
I HAVE TO HURRY!!

I FELT UNEASY! WHY THE HELL DID I FALL IN LOVE WITH THAT GUY?!
DAMN IT!

LOVE
That kind of thing and that kind of thing!!
I want to agree and start liking those things!
That is not true love, but speaking of... I would be ok just being a bitch.
No... Wait..
Chair-person, are you all right?!
What are you doing, are you insane?!
Come to your senses, shit-heads!!
How dare you inspire me with ideas of pure love?!

That is right...
Don't stand in our way more than this
Go! What are you doing?!
I taught you decided when you came, that you want to flirt with me
It was just a wish!
Because of frustration that if there was a fight, we will separate, I decided to wait till you decided to break up with me for loosing interest for flirting!!
Eve

Eve, I wont get tired of you
I like having things from long ago
What do you mean?!
Things like this belt that my old man gave me,
look at its state, it's big and vintage
If I was charmed for a moment it was easy to let go...

Go~
AN IMPOR-
TANT WOMAN
ALL
THE MORE
IF ITS

IT LOOKS LIKE ITS STILL ME
IMPORTANT, IMPORTANT TREASURE
NO MATTER HOW MUCH YOU FIDDLE WITH ME, I WONT GET TIRED OF YOU

Hey!
When did he come here?
Hey,
ちゅうう
ちゅうう
I know I was wrong!...
Let's do it slowly somewhere else...!!
without hesitation
Far from getting tired of you, I won't even have enough of you.

Fall
Fall
Fall
Hey, you bought a stash of Rinkan school tasks.
Lets go to a hotel !!
All preparations are blunder..
I have full of this and that from Rinkan School

LiVelY sCaNs Policies:

1. Our releases are not meant to be mass distributed

2. Do not ask us when the next chapter will be released. It's really annoying since we have lives which include work, school, etc. Our aim is to have weekly releases but if we are behind, then asking about it is not gonna help anyone.

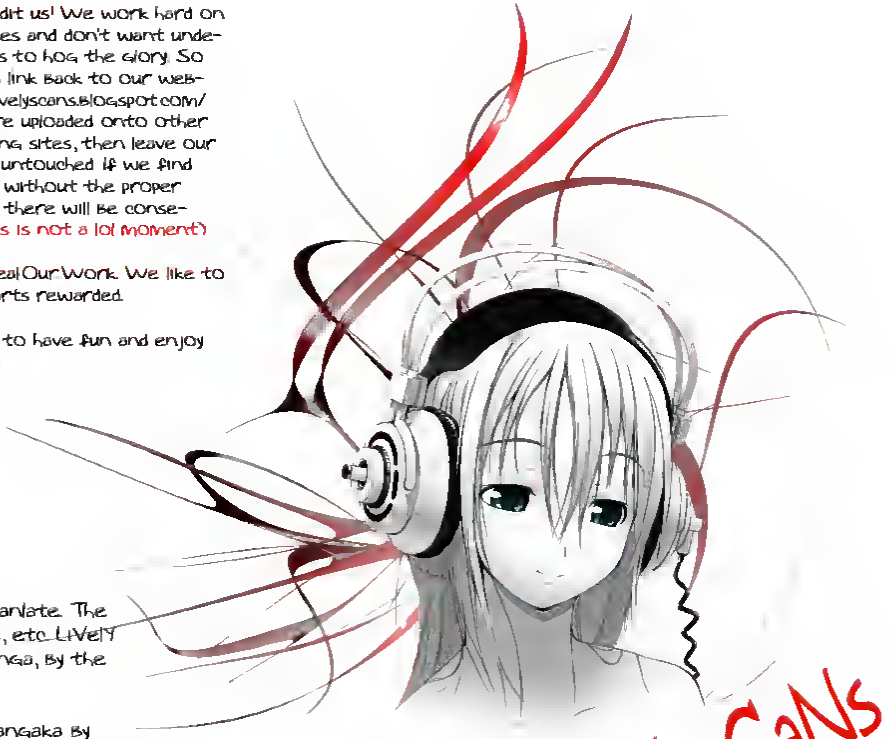
3. WE DO NOT ALLOW OUR PROJECTS TO BE HOSTED ON OTHER FORUMS, unless permission is given to do so.

4. Hosting on Mangafox is prohibited. This is done solely by Annex aka mangalover23 (cuz she likes to feel important, lol)

5. Please credit us! We work hard on all our releases and don't want undeserving fools to hog the glory. So credit us and link back to our website, http://livelyscans.blogspot.com/ If releases are uploaded onto other manga-hosting sites, then leave our credit pages untouched. If we find our releases without the proper credit pages, there will be consequences. (This is not a lol moment)

6. DoNotStealOurWork. We like to see our efforts rewarded.

7. Remember to have fun and enjoy our releases!



Disclaimer

We do not claim ownership to any manga we scanlate. The said rights lie with the authors, artists, publishers, etc. LiVelY sCaNs is a NON-profit group that scanlates manga, by the fans for the fans!

If you enjoy our releases, please support the mangaka by buying their original work once it's available in your country!
